## CONGRATULATIONS TO ANGIE!

Our program uses only instructors certified through CanTRA and we could serve more individuals and run more programs if more instructors were available....Congratulations to Angie on passing her “Instructor of Beginners” in EquineCanada. This is a pre requisite for senior instructor training in CanTRA which Angie will start this winter . The ultimate goal is to be able to offer mentoring and training here in Niagara thus saving long distance travel for the training. EquineAbility already offers to pay tuition for the exams in CanTRA.

## VOLUNTEER TRAINING

Horsemanship instructors play a **very important** role in our lessons. As winter is an opportune time, Angie is having training sessions on Tuesday evenings in the month of January and February.
